## **TO AUDITION:**

Principals need to sing a song from the show, with karaoke backup. This should be prepared ahead of time.

Questions about singing? Contact: Beth Preston

All students will audition in large groups, with very basic dance. Dance experience is not required, but a willingness to learn is very important. There are **featured dancers** in the show, so we will have opportunities for dancers to demonstrate their level of training, if interested in roles like the Havana Dancers, Hot Box dancers, etc.

We may cast as many as 50 students – so there are a wide variety of opportunities. No experience is required!
