

WHY SUMMER CAMP at HEARTWOOD?

For most students, summer allows more time to dive deep, work hard and absorb learning quickly.

Start your day with theater rested and ready.

Dig into the process of building a character

Coming to Lincoln Academy fall of 2026? Make an early connection, learn about the Poe Theater and work with high school staff.

Prepare for Heartwood's January Middle School Program, collaborations at Lincoln Academy, or other performance opportunities.

Coaches will assist actors to:

- perform monologues
- incorporate visiting artist work into storytelling
- create confidence and performance skills

We've been creating summer camp opportunities since 2003, and we believe Summer 26 will provide a great place for all students. Come take on the challenge!
